

Dear East Islip Community,

The East Islip School District is happy to provide our sophomore and junior class with the opportunity to take the PSAT/NMSQT. The PSAT is a tool that is used by students across the country to prepare for the SAT exam, in addition to giving the juniors the opportunity to qualify for the National Merit Scholarship. Freshman will take the PSAT9 examination. This exam is formulated for the grade level and serves as further preparation for the SAT. East Islip School District is providing all freshmen, sophomore, and junior grade level students the opportunity to take this exam at no cost. The dates of the exams are:

October 24, 2023, for all freshmen

October 25, 2023, for all juniors

October 26, 2023, for all sophomores. Students that will be bringing their own calculators will be charged an additional fee.
