1. Where is the electric source located?

Answer: The electric source is in the field. The alternate location for the scoreboard is the right field behind fence.

3. Does the scoreboard need to be Daktronics?

Answer: We prefer Daktronics. The distance to the alternate location is 130 feet.

5. What is the start date of the baseball/softball season?

Answer: The start of the baseball/softball season is March 13, 2023.
