13. Purchase Specifications

- a. Food and beverage procurement specifications are to be developed by the SFA based on individual SFA

must be available for processed brand name products.

- b. Section 104 (d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 requires schools and institutions participating in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) to purchase domestic commodities or products for use in meals served under the NSLP and SBP. The legislation defines "domestic commodity or product" as one that is produced in the United States and is processed in the United States substantially using agricultural commodities that are produced in the United States. "Substantially" means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically. These provisions now apply to all funds in the food service account and not just to federal reimbursement.

15. Bid Options

a. The SFA has determined that the following bid option will be accepted: *(Check one)*

Bid Option 1 – The SFA will use this bid option for receiving the same bid price for breakfast and lunch meals.

Bid Option 2 – The SFA will use this bid option for receiving the same bid price for breakfast and lunch meals.
